## SWEET GRETCHEN'S HANDICAP

SCHORR'S FILLY BEATS LEONIDAS IN ADIRONDACK.

Reservation Takes Distance Event From Faulconbridge-T. Hitcheock, Jr.'s Tankard and Joeund Successful Stroller a Surprise-Fuller in Form.

SARATOGA, Aug. 26.-Frequent shower kept the track muddy to-day and also limited the attendance to the few regulars remaining here. The card was attractive in spots, the feature being the \$5,000 Adirondack Handicap for two-year-olds at six furlongs, which brought a good field of youngsters to the post. W. C. Whitney's Leonidas, a Futurity, candidate, was the favorite, although, his price went back to 7 to 2. R. T. Wilson Jr.'s, Montreson, top weight, was played down to fours, the same odds prevailing against the Columbia Stable's Graziallo. Gold Saint, 10 to 1, showed the way to the half mile mark, where Leonidas took up the

pacemaking. But Fuller, who had handled J. W. Schorr's filly, Sweet Gretchen, backed down to sixes, with extreme patience, let her down in the stretch, and with a dazzling turn of speed she defeated Mr. Whitney's colt in a drive by half a length in 1:15 4-5. Gold Saint, a length and a half back, took

third money from F. R. Hitchcock's Green-crest by a short head.

George Hendrie's luck turned when his three-year-old coit Reservation won the \$1,000 handicap for three-year-olds and up-ward at mile and a quarter. Reservation in previous races had showed inability to get way from the post, but in this instance there In previous races had showed inability to get away from the post, but in this instance there was little trouble, and Hicks, after rating him nicely, came around on the outside in the stretch and won in a drive by three parts of a length. Reservation closed equal favorate with Faulconbridgent II 100 5, and the latter, who made the bulk of the running, experienced no difficulty in taking place money from Lord Badge by four lengths. The time was 2000 2-5.

enced no difficulty in taking place money from Lord Badge by four lengths. The time was 2:00 2-5.

T. Hilchcock, Jr.'s, colors were twice carried to victory. His good jumper, Tankard, odds-on favorite, won the steepkechase handicap, after leading all the way, in a gallop by two and a half lengths from Step Lightly, second choice. Mr. Hitchcock's plucky little colt, Jocund, also a favorite, in the fiftnevent, for two-year-olds at five and a half furlongs, did the trick after a game run through the stretch. Collector Jessup, the pacemaker to the last sixteenth, tired there and Jocund, showing remarkable stamina, bent him in a drive by a length and a half in 1:08.3-5. Monastic was a close third.

There was an upset in the first race, for platers at six furlongs, when Julies Fleischmann's Stroller, a 10 to 1 shot, spreade-agled his field and won in a cauter by four lengths from the favorite, Sweet Alice, who was the same distance before Castalia, second choice. The latter beat Guy Park, 100 to 1, by a head. The time was 1:15-25.

The last race, also for platers, at a mile and a sixteenth, on the turf, went to J. W. Snyth's Bob Hilliard, third choice, who, under a great ride from Fuller, defeated Mabel Richardson by a head in 1:43. Dinksie, backed down to fives, was third, a head before Beverly. Choate, the favorite, was away well, but stopped in the stretch. Three favorites got the money, and Fuller again was the star jockey, with two winners, two-seconds and a third.

TEAM GOLF AT SHINNECOCK. Oxford and Cambridge Players Win Anothe

SOUTHAMPTON, Aug. 26 .- Over the links on the sand dunes to-day the Oxford and Cambridge players won from the Shinnecock Hills Golf Club team, by 8 to 3 points. The American team, besides the club members. ncluded the pick of the visitors for the annual tournament of the Shinnecock Hills Golf Club, and it was the strongest aggregation the 'Varsity men have had to meet in the East. The match was of singles only, eleven on a side, the morning being devoted to an eighteen-hole medal play round for a solid silver cup presented by Richard H. Williams,

president of the New York Racquet and Tennis Club. There was a tie for the cup at 74, between W. J. Travis and F. J. O. Alsop. The best work by the Varsity men was a 76, made by H. G. B. Ellis, but the Oxford and Cambridge nen did not cut much of a figure at this exacting sort of play over a strange course. four of them were in the first dozen, but that they studied the links to good purpose was made evident in the afternoon. There were

twenty-seven cards returned.

cock Hills, 91: G. Kane, Tuxedo. 91.

There was a large attendance to watch the players in the afternoon, the cottagers coming in force from Southampton and crowding the links and the clubbouse, where tea was served during the afternoon. The play brought out the Englishmen at their best. The round, which is of 5,765 yards, was in fine condition, the lies good but hard, as they always are on the rolled sand, and the greens lightning fast but very true. The conditions suited Low, who did the greatest putting ever seen on the links, and also Beveridge, who sent his tee shots rocketing over the hills as though they would never stop. Beveridge made a 71, two strokes better than the former record, which had never been equalled by a professional and which was made last. former record, which had never been equalited by a professional and which was made last year by Walter J. Travis. The latter, who is always at ease on the dunes, also made a 71. This won for him the cup played for in the morning, for while Alsop beat his man as handily he did not score as low. as namily he did not score as low.

With four matches in, the score was a tie and the home guard had high hopes of winning out, but thereafter the Shinnecock Hills representatives only won one match. The summary follows, each match counting one

## BIG FIELD FOR THE FUTURITY. Many Owners Will Send Two or More Horses to the Post on Saturday.

According to indications yesterday there will be at least twenty-four starters in the Futurity at Sheepshead Bay next Saturday and there may be more than that number. In all probability several of the biggest owners will be represented by two or more young-sters. It is now said that the Keenes are sure to send Delhi, Kohinoor, Israelite and Dove-cote to the post W. C. Whitney is expected o start Leonidas, Stalwart and Mercury. August Belmont will be represented, possibly, both Magistrate and Beldame, while S S. Brown's Broomstick and Audience are both slated to go. John E. Madden says Adbell, The Minute Man and another colt will carry his colors. Sydney Paget has named both Hamburg Belle and Ormonde's Right to sport silk M. Murphy has practically decided to start both Baseful and James V. The Osceola Stable has notified the Coney Island Jockey Club that it will start Phaser, Lady Prudence and Marriage Bells.

In short, it is a certainty that when the big field reaches the barrier on Saturday Starter Fitzgerald will have his hands full. The Futurity course at the starting point is wide enough for thirty horses to take the word. but even then there would be some crowding. hast year there were twenty-four starters and they all got away except one, who propped

Turfmen at local tracks were discussing vesterday a sensational work-out for the Futurity by James R. Keene's Delhi, the son of Ben Brush-Viva. The colt covered seven furlongs on Tuesday at Sheepshead Bay in 1 26 flat. He did not have more than 105 nounds on his back but he worked so easily that the railbirds decided that he would take a hard beating in the big race, in which he will a hard beating in the big race, in which he will shoulder 127 bounds. Delhi is a strapping big colt, superbly proportioned, and those who have seen him say he is gaited like the celebrated McChesney. Among the layers who are in town the opinion prevailed yesterday that the Futurity would be the most open betting proposition in the history of the classic event. There is an inclination to make the Keene stable favorite, with the Whitney, Madden and Paget entries not far behind.

Petra II., the game little daughter of Pontine—Poncho, who was bred by the late Pierre Lorillard at Rancocas, has been destroyed because of an incurable injury received the last time she went to the post in a race at Jamaica. She was jumped on and a tendon in her off hind leg was completely severed. Dr. Shepherd took the mare in hand, and she had progressed so well that she was about to be turned out to grass, prior to being retired to the stud, when blood poisoning set in, and by order of the S. P. C. A. Petra II.'s life was ended. The first race she won this year was at Aqueduct, when the odds against her were 100 to 1.

The horses belonging to Thomas & Shields, including Hermis, arrived from Saratoga yesterday. To-day there will be a big demand for what remains of stable room at the Long Island tracks. Supt. Frank Clarke of the Sheepshead Bay track said yesterday that there will be accommodations there for 50,000 spectators on Saturday. shoulder 127 pounds. Delhi is a strapping

successful Western trip, the New York Amerians bumped into defeat at the hands of the tail enders. The game was won and lost in the first inning, in which section of the strife all the scoring was done. Williams fumbled Robinson's grounder and then threw wide to first after recovering in time to get the batter. Tannehill fumbled Moran's sacrifice, and a single by Ryan and an infield out put two Washingtonians over the plate. A base on balls to Conroy, Keeler's bunt A base on balls to Conroy, Keeler's bunt. Elberfeld's sacrifice and Ganzel's liner to Ryan sent in New York's only run. More than once Ryan was a big obstacle in New York's path by his fine work in centre field. Good opportunities to score fell to the New Yorks frequently in the ensuing innings, but their batting with men on bases was a sickly article. Men were on bases in the second, third, fourth, sixth, eighth and ninth innings, only to be left as Dunkle foiled the weak hitting locals and had rattling good support in the bargain.

BOSTON (N. L.), 6; NEW YORK (N. L.), 5-FIRST GAME.

BOSTON, Aug. 26.—New York came dangerously near losing both games of the double-header with Boston this afternoon. In the first game Matthewson started in and pitched grand ball for five innings, but in the sixth Boston began to bat him, and when the half was over six hits and an error by Browne had brought in five runs, which with one scored in the first was all Boston could get. Mathewson was taken out and Taylor substituted. In the second inning New York on three gross errors scored five runs and looked like easy winners until the disastrous sixth. In the second game not a run was scored until the seventh when two bases on balls and a hit gave Boston one. New York made one in the same way and Boston followed suit on a double and single. Bowerman's home run in the ninth evened the score and in the tenth Browner size. man's home run in the ninth evened the and in the tenth Browne singled and wen around home on a hot one by Bresnahan Boston was easily disposed of then.

AUTO PATENT FIGHT COMING. Cause of Independent Makers Against

Licensed Pool Finds a Backer. It was learned yesterday that there will be formidable opposition on behalf of the smaller independent manufacturers against the control of the trade in gasolene automobiles by the Association of Licensed Automobile Manufacturers. This opposition will take a peculiar form and one that makes a hard battle in the courts over the Selden patent certain. The news of what is being done was divulged by W. H. Chamberlin of Chicago, whose plan it is. Mr. Chamberlin is a lawyer. who was Assistant Patent Attorney under President McKinley, and also is a former secretary of the Chicago Automobile Club. The deal of Mr. Chamberlin was concluded vesterday, and he will leave this city this orning. His plan is to have a corporation doing an indemnity business underwrite, as it were, his clients and other independent makers in such a way that the corporation will undertake to defend all suits brought for infringement of patents and guarantee indemnity for any judgments obtained by

the Licensed association. In this way the independents, according to Mr. Chamberlin, may be protected against patent litigation much more economically and effectively than by the formation of a pool among themselves. The underwriters. Mr. Chamberlin says, he found in a title and patent guarantee company of this city, and yesterday he agreed with them upon a form of contract for his clients. Mr. Chamberlin was asked if the guarantee Mr. Chamberlin was asked if the guarantee company in taking the risks of the independents expected to fight the Selden patent. He replied:
"We most certainly do. We have thrown down the gauntlet. We are inviting fight and will be very much disappointed if we do not get it. We expect to win the fight and prove the Selden patent invalid, that is all."

The ninth annual regatta of the Huguenot Vacht Club will be sailed on the Sound off New Rochelle on Saturday afternoon. There will be races for the 30, 25, 21 and 18-foot classes of sloops, raceabouts and all onedesign classes. The 30-footers are to sail design classes. The 30-footers are to sail 15 miles, the 25 and 21-footers, 11% miles, and the other yachts 7½ miles.

The start will be made at noon off the easterly end of Whortleberry Island. Entries should be made with G. C. Allen, the chairman of the race committee, 214 Drake ayenue. New Rochelle. This regatta is always one of the best on the Sound and there is sure to be a large fleet of starters.

Joe Gans Matched to Fight Willie Lewis. Joe Gans has postponed his trip to England and will engage in one fight before he visits the other side. The lightweight champion has signed articles of agreement to meet Willie Lewis of this city in a twenty-round bout before the club offering the best purse. The weight is to be 135 pounds, weigh in at 3 o'clock or the ringside. Lewis, up to a few months ago, was regarded as one of the like-liest lightweights hereabouts, but he grew-careless in several bouts and lost the decision when he should have won. However, he already has started in to train.

Entries for Golf Championship

Aside from saying that the entries were horoughly representative in quality and up to the average in numbers, Secretary Ballou had no information to give out yesterday regarding the entries for the amateur golf championship, which closed on Tuesday. The list will be given out to-morrow night, when there will be a meeting of the executive committee of the United States Golf Asso-

CLOTHIER NO MATCH FOR ENG-LISH TENNIS PLAYER.

Final Match in All Comers' Singles, and To-day the Visitor Meets Larned in Chailenge Round for the American Championship—Larned Fit for Fray.

NEWPORT, Aug. 26 .- H. L. Doherty, the champion lawn tennis player of all England, won the all comers' singles in the American championship lawn tennis tournament at the Casino here this morning, and to-morrow morning he will play champion W. A. Larned the challenge round for the American championship title. W. J. Clothier was no match at all for the Britisher this morning and ailed to make any of the three sets even close. The match was short and one-sided Play began after 11 o'clock and the last point was finished before noon.

Both men started slowly, but the American seemed to get into his game before the for-Doherty ran in on his service regularly in the American style, and Clothier did likewise. "Little Do" used the cross-court stroke for most of his passing, and Clothier got to it easily, as it was slow, and killed many fast volleys at the net in the first few games. As the men changed courts after the fifth game, the Englishman's brothe eaned over and gave him some advice, parently to pass down the lines instead of across the court. When the younger brother put this into execution two games later, he won almost as he pleased, passing Clothier

he won almost as he pleased, passing Clothier four times in quick succession.

Clothier fought out every game to the end in this first set, but when the second began he became less able to stop the fast strokes of the visitor. In the fourth game an incident occurred that stirred up the crowd to much enthusiasm. Doherty played a ball he thought was out and asked "how" in the usual English fushion. The linesman called "good," and Doherty won the point with the next stroke. Doherty thought the call bothered Clothier and wanted to play the point over. Clothier refused. Doherty deliberately knocked Clothier's service to the ground, giving back the point that he had just won.

The third set was even shorter in points, although the games were closer.

LONG MILES FOR STEPPERS.

Elastle Pointer Wins the Norfolk Stake for Pacers at Readville.

BOSTON, Aug. 26.-Over a track which was beavy from the pole to the third horse position the Grand Circuit campaigners continued their races at the Readville Trotting Park this afternoon. The going was slow, as the horses had to step long miles. The event of the day was the Norfolk Stake, for 2:24 pacers. Elastic Pointer sold for \$50 while the field brought \$25. In the first heat the winner of the Chamber of Commerce Stake had Trilby Direct to beat, Hussey won it sitting up. The second heat saw Pan Michael, Jack Curry's chestnut, beat out Nick Hubinger's pacer in a drive through the stretch. In the next two heats Elastic Pointer came back better than the

others and won. In the 2.12 trot Promise was backed for \$30 and the others brought \$50. In the first heat Promise won from Belle Kuser, but in the next two Scott Hudson stepped the daughter of Col. Kuser a faster gait

Budd Doble's bay gelding, The Roman, brought \$30, McKinley \$17 and Jim Ferry \$12 in the 2:15 trot. In the first heat the gray gelding had the lead all the way and won by length. The task told on Ferry, and after a length. The task told on Ferry, and after showing to the head of the stretch, in the second heat he died away and Nell Gwynne had the leading position. She was chased out by the bunch, out of which came McKinley, and the Michigan horse won by a length. In the next heat McKinley kept well in front all the way. Frank Yoakum brought \$50 against a field which sold for \$125 in the 2:11 pace. He won the only straight heat race of the day.

Harness Races at Huntington.

HENTINGTON, L. I. Aug. 26—A double programme, yesterday's unfinished events being sandwiched in with to-day's card, drew a large crowd do the Huntington Fair Grounds to-day, the second day of the midsummer meeting of the Huntington Driving Park Association. A protest was lodged against Marmore, owned by Edwin R. Ladew, in the second race, based on the rule of the National Trotting Association to the effect that where a horse is entered in a mixed gait event he must be eligible for both classes according to his record. The stallion had a better trotting record than pacing, and the protest was sustained, all bets declared off and the race re-started and captured by Harry H. The summaries:
